## Promoting Life Skills Through the Sport of Track & Field

Dear Potential Sponsor,

The **Mission Valley Track & Field Club** is a community-based, non-profit organization with the mission of promoting Life Skills to all athletes through the Sport of Track & Field. The club is currently in its 41st year! We would like to invite you to support and be a valued sponsor of this unique and esteemed program. Team Motto is **Believing To Achieve!!**

Mission Valley Track & Field Club continues the tradition of coaching and teaching our athletes at no-cost. The club is open to all and all backgrounds. The club services **Youth, Seniors, War Vets, Special Olympians, Para Olympians and Olympians in need**. We run the Track & Field season from February to July and Cross Country from September to December.

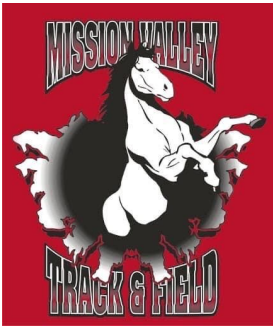

We are proud of our history of excellence and of our athletes and their accomplishments:

- 81 National Champions
- 660 All-American Athletes
- 34 National Records
- 7 World Age Group Records

The club continues to attract new athletes. We give our athletes the opportunity to experience and grow through the Sport of Track and Field. Athletes have the opportunity to participate in all Track & Field events. We celebrate our recent accomplishments:

- 38 athletes who qualified for Nationals
- Hosted the yearly Combined Events Track & Field Meet, dedicated to former New Haven Unified School District student, **Arlevia Livingston** (1998 to 2016), and focused on **Suicide Awareness** and **Anti-Bullying**
- Hosted two **Olympian “learn by doing” Clinics**, open to the community and with over 100+ participants. Athletes had the rare opportunity to be taught and coached by Olympians and elite athletes. Clinic leaders included:
  - **Tom Petranoff** (Two-time Olympian and World Record Holder in the Javelin)
  - **Eddie Hart** (Olympic Champion in Sprints, World’s Fastest Human in 1972)
  - **Kenny Harrison** (Olympic Champion in Triple Jump)
  - **Michael Granville** (Two-time National Champion in 800m)
  - **Reynaldo Brown** (Olympian and youngest Track and Field Olympian ever)
